Mrs. Barnie Swan and children of Kennett visited in this city last week, and Mr. Swan came over Saturday night to accompany them home on Sunday.

Business Men's League.

The business men of this city had a meeting in the city hall Friday afternoon, for the purpose of talking over the cotton situation, with the result that they organized a Business Men's League, and elected John T. Buckley chairman and Guy Sanders secretary, who immediately entered upon their duties. The object of the league is to look after financing the cotton crop so far as lies within its power, and to get in touch with the financial centers. As we suggested last week, we believe it would be a good idea to write numerous letters to people in a position to buy from one to several bales of cotton, and solicit them to buy a bale of Pemiscot county cotton. It would be surprising how an appeal like this would meet with favorable response, and it is perfectly legitimate. The time and cost necessary to do this would be small.

Don't Take Wrong Medicine.

If your liver gets lazy you need a liver tonic not merely a laxative for the bowels. Many people take a simple laxative when the liver gets sluggish rather than take calomel, which they know to be dangerous. But a mere laxative will not start a sluggish liver. What is needed is a tonic that will live up to the liver without forcing you to stay at home and lose a day from your work.

You have such a tonic in Dodson's Liver Tonic. Dodson's Liver Tonic is all that is claimed for it, because the druggists who sell it, agree to hand back the money with a smile, to any person not satisfied with the relief Dodson's gives.

Dodson's Liver Tonic is a vegetable liquid with a pleasant taste and is a prompt and reliable remedy for constipation, biliousness, sour stomach and torpid liver.

Lefler's Drug Store gives it their personal guarantee. Large bottle of Dodson's Liver Tonic is only 50 cents. For children or grown people it is the ideal medicine. Try it on the guarantee. (Advertisement.)

Negro to Hang.

Despite the heroic efforts to save the neck of Tollie Williams, the negro under sentence to hang Friday, October 1, it seems now that he is in a fair way to stretch him.

It is rumored there is some unpublished history about this case that would make interesting reading, but we have not felt called upon to sift it down. If the hanging does take place, however, it will be the first in the history of the county, although several have been sentenced to hang, and we can remember the erection of as many as three scaffolds.

The death warrant was issued and turned over to Sheriff Stubblefield on the 15th, but B. A. McKay, attorney for the condemned man, feels that he can at least secure a temporary stay of execution, if not a commutation.

Robert Averill of the Dry Bayou neighborhood, was here Friday.
